

Higher Institute of Applied Technologies

(TechnoLAB-ISTA)

Initial and Continuing Education - New Technologies - Managerial Techniques - Research & Development

Programs

Master and Engineering (LMD Pathway)

(Academic background : M1 &M2)

1°). Master Programs - Tertiary Field

- * *Finance / Banking (and/or Insurance), Finance / Management*
- * *Management of Companies and Organizations*
- * *Accounting and Management - (**CAMES) - with options:*
 - **Master CCA** / Audit and management control
 - Accounting, financial Management & Taxes
- * *Marketing / Communication - (**CAMES) - with options:*
 - Marketing / Communication
 - Business and Organizational Communications
- * *Marketing & International Business*
- * *Logistics & Operations Management*
- * *Human Resources Management (**CAMES)*
- * *Project & Organizational Management*
Options : - Project Management
Environment and Sustainable Development
- Governance and Public Administration
- Management and Regulation of Public Procurement
- Management of Extractive Industries

2°). Master's degree programs - Technical area.

- *Master - Software Engineering and Web Technology*
- *Master - Engineering in Management Computing, Option MIAGE*
- *Master - IS, Project and ICT Infrastructures Management*
- *Engineering - Mathematics and Decision Systems (Math-info)*
- *Master - Systems, Networks and Security Engineering*
- *Master - Networks & Telecommunications*
- *Master - Electrical Engineering and Renewable Energies*
- *Master - Electronics & Telecommunication*
 - * Option1: Industrial Engineering
 - * Option4 : Electronics and Bio-medical Maintenance
 - * Option5: Electronics and Production Systems Maintenance
- *And very soon, Engineering Sciences: Civil Engineering, Mining
Engineering Chemical and
Process Engineering*

GENERAL INFORMATION

ADMISSION REQUIREMENTS

To access a training program, you must have obtained the required level (diploma, required certification or relevant experience), have completed a training deemed equivalent.

DOCUMENTS TO BE SUPPLIED

1. A stamped handwritten application
2. Copy of birth certificate or legal equivalent
3. Certified copies of diploma (or certificate) obtained
4. Two (2) recent passport photo + A properly completed registration form

CONDITIONAL ADMISSION: In this case, the condition of acceptance will be clearly stated in the response to the candidate.

Waiting list: The Candidate is placed on a waiting list of a program if the number of places available is not sufficient.

CHANGE OF PROGRAM

An admitted student, who is already enrolled and wishes to change their training program, must submit a program change request and attach the receipt for the amount required for the study of their case. He / she must therefore meet the conditions for admission to the new program.

TUITION FEES: The academic fees are fixed as follows: :

Registration fees : 100 000 F (*non-negotiable, mandatory and non-refundable*) payable initially for registration validation. Payment of these fees entitles you to two (2) sets of school uniforms. This amount is not part of academic fees (and therefore not deductible) which are presented below.

CURRICULUM/TRAINING FIELD	ACCESS LEVEL & LENGTH	AMOUNT ANNUAL
Master in Finance & Banking		900 000
- Gestion d'entreprises et des Organisations		900 000
* Master in Accounting and Management (CAMES)		950 000
