Possibilité Possibility of joint preparation (double graduation) with Paris PPA programs from Bachelor (~ License) to Master (GES Network).

For IT technical training, integration of Net Cad, (CISCO 1-2 Certifications as extra qualifications in the preparation of diplomas. All a Plus!

GENERAL INFORMATION & LICENSE TUITION FEES

ADMISSION REQUIREMENTS

To access a training program, you must have obtained the required level (diploma, required certification or relevant experience), have completed a training deemed equivalent.

DOCUMENTS TO BE SUPPLIED

1. A stamped handwritten application
2. Copy of birth certificate or legal equivalent
3. Certified copies of diploma (or certificate) obtained
4. Two (2) recent passport photos
5. A properly completed registration form

CONDITIONAL ADMISSION: In this case, the condition of acceptance will be clearly stated in the response to the candidate.

Waiting list: The Candidate is placed on a waiting list of a program if the number of places available is not sufficient.

CHANGE OF PROGRAM

An admitted student, who is already enrolled and wishes to change their training program, must submit a program change request and attach the receipt for the amount required for the study of their case. He / she must therefore meet the conditions for admission to the new program.

TUITION FEES: The academic fees are fixed as follows: :

Registration fees : 100 000 F (*non-negotiable, mandatory and non-refundable*) payable initially for registration validation. Payment of these fees entitles you to two (2) sets of school uniforms. This amount is not part of academic fees (and therefore not deductible) which are presented below.
